

1 Et 2-cifret tal består af 10'ere og 1'ere. 10'eren står til venstre.
 I opgaverne herunder er 10'eren farvet grøn og 1'eren rød.
 Der er 10 klodser lodret (= en 10'er-stang).

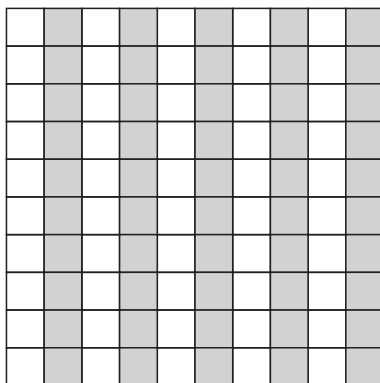

Énere og tiere 3

Farv 10'erne som stænger fra venstre side og 1'erne som klodser lige bagefter.
