

1 Spejl julefigurerne her på siden. Du må gerne farve dem flot også. Find selv på de sidste 2.

Mattip om

Julespejling

The grid consists of 3 rows and 3 columns of graph paper. Each cell contains a vertical dashed line. The top row contains three figures to be mirrored: a Christmas tree, a teardrop shape, and a pine branch. The middle row contains three figures to be mirrored: a window, a star, and a candle. The bottom row contains a semi-circle and two empty vertical lines for drawing.
