**Linealen 6**

MED MATTIP

The worksheet consists of 12 horizontal lines, each with a needle icon at the right end. The first four lines have red dots at the left end and are partially filled with more red dots. The fifth line has a red dot at the left end and two more red dots. The sixth line has a red dot at the left end and one more red dot. The seventh line has a red dot at the left end and one more red dot. The eighth line has a red dot at the left end and five more red dots. The ninth line has a red dot at the left end and one more red dot. The tenth line has a red dot at the left end and one more red dot. The remaining lines are blank.
